~~Following her father's heart attack (probably faked)~~
~~a daughter visits her trickster father along w/ her~~

Lonely, Gramps fakes a heart attack to encourage his daughter to come visit. Not fooled for a moment, she comes none the less and brings her daughter, Victoria, along as well.

Gramps' childhood friend Rudgar, who hasn't aged or matured on little isat, befriends Victoria and the two of them pair off against Gramps and his live in Pirate Accompli as they ^{try} to steal back what he is rightfully his... Rudgar's Gold.

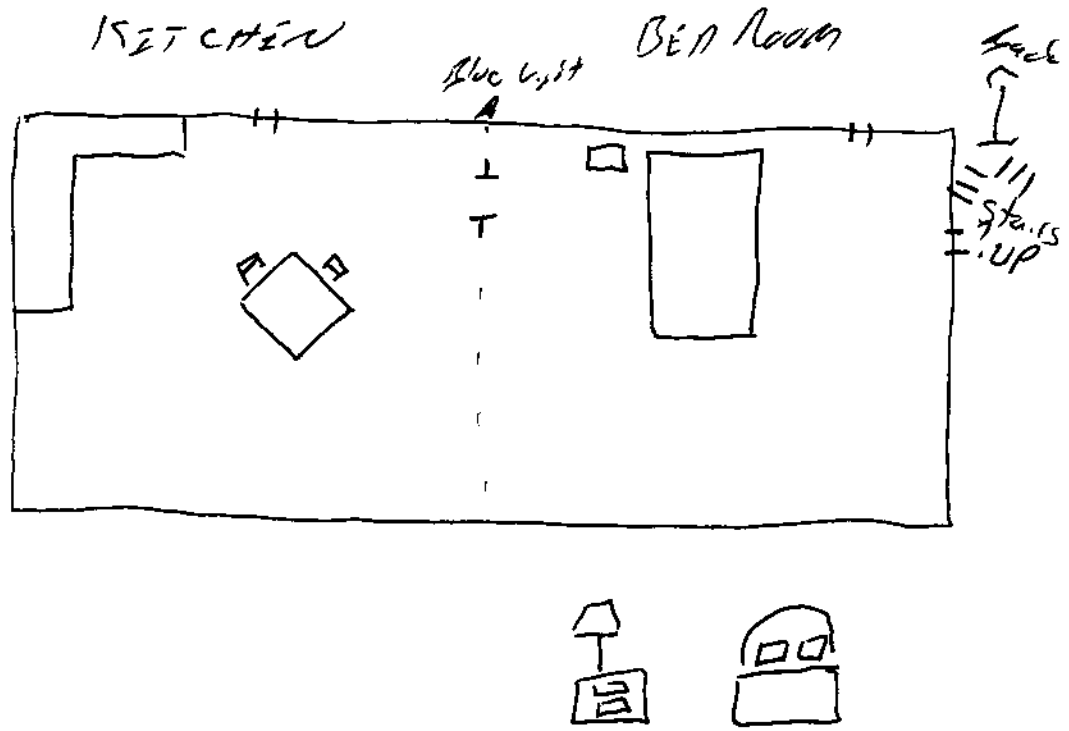

Victoria rediscovers Gramps' imaginary friend, Rudgar, while Gramps sets them on a wild goose chase to find the hidden gold... at his Sunset Years.
